Guidelines: Approved Skirts for Ballet and Ballet/Tap Combination Classes

Although we love the look of tutus, fairy, ruffle, opaque, and tulle skirts, they are distracting in class and are not conducive learning environment we promote. Therefore, students will no longer be able to wear these skirts in ballet and ballet/tap combination classes beginning August 2013.

Students may only wear BLACK, short single layer chiffon or georgette skirts only. Students wearing a non-approved skirt will be asked to remove the skirt to participate in dance class.

Approved Skirt Styles (Color of Skirts MUST be Black)

Examples of Non-Approved Skirts
